About frechhdachs

frechhdachs is a Twitch streamer from Vienna, Austria. For several years she has been streaming variety gaming, from cosy indie titles to multiplayer adventures with her community. She calls her fans the "Dachsbau" (the badger's den). Besides her regular streams she visits conventions in Germany, Austria and Switzerland (including Level Up Salzburg, E-Sports Festival Vienna, Dokomi and Gamescom) and runs an active community on Discord.

Based in: Vienna, Austria

Language: German (Germany, Austria, Switzerland)

About Maria

Hi! I'm Maria, better known as frechhdachs, a streamer from Vienna, Austria. For several years I have been entertaining my community in the DACHSBAU with competitive games like League of Legends, Valorant and TFT, relaxed Overwatch sessions and honest Just Chatting moments. My community is my home: warm, active and always up for fun.

Audience & location

- Outlast Trials
- Indie Games

Ways to work together

Sponsored stream

Exclusive live presentation of your brand during a Twitch stream, with integration into gameplay and overlays and direct community interaction.

Social media post

Authentic content on Instagram and/or TikTok.

Product placement

Natural integration of your product into the stream or social media content. Subtle and credible for maximum effect.

Giveaway

Community activation through giveaways on Twitch, Discord or social media, with high interaction and reach.

Discord integration

Visibility in the Dachsbau community: your own channel, announcements and exclusive activities for our active members.

Bundle / custom

Individual packages combining several formats, long-term partnerships and tailor-made campaigns.
